### Introductory Membership 2020

Are you someone who is thinking about taking up golf or a lapsed golfer who wishes to become involved with the game again?

The thought of playing golf for the first time can be intimidating, or perhaps you are unsure whether or not you will enjoy the game again if you have not played for a number of seasons. If you fall into either of these categories we have created a new \*Introductory Membership\*, which may be of interest to you.

**You can take out an Introductory Membership for £250.00**  
**(Scottish Golf Levy £14.50, North District Levy £3.20 and Golfers Insurance £3.30, Bar & Catering Credit £25.00)**  
**Grand Total £296.00.**

#### **The benefits of this Introductory Membership include:**

- 1 free group lesson from one of our professionals and an introduction to and explanation of the game's basic rules and etiquette.
  - 1 free one to one lesson from one of our professionals.
  - a loyalty card, which entitles you to 10% discount on food and drink in the clubhouse.
  - You can play at any tee time except on Saturdays.
  - If you join as a full member for 2021, we will deduct £150.00 from your first year's subscription.
- \*You are not able to benefit from members 'guest sign on rate.

As with any offer there are conditions - the Introductory Membership cannot be renewed, it is available for one year only, it is not available to members of other clubs or those who have had an official handicap within the last five years. Members joining under the Introductory Membership scheme will not be eligible to play in club competitions.

There are only a limited number of Introductory Memberships available and applications will be dealt with on a first come first served basis.
