

Course

Please remember the following when playing on the course.

- Repair pitchmarks on the greens
- Use a mat when on the fairway or in the first cut of rough
- Rake bunkers after playing out of a bunker
- Players should aim to keep up with the group in front of them. If a group falls more than a hole behind then they should allow the group behind to play through.
- At the moment some of the bunkers on the course are classed as Ground Under Repair as there has been some renovation works carried out on them over the winter. We have ordered some GUR signs for these bunkers which will be with us shortly. If your ball is in a bunker that is classed as GUR then please remove your ball and drop at the nearest point of relief.
