

CPR Training

We were very kindly donated two defibrillators from Springfield. Money raised by the seniors and the ladies have allowed us to purchase two powered cabinets to place these defibrillators in. We have also purchased an unpowered cabinet which will allow our current defibrillator in the foyer to be attached to a buggy and be instantly available on the course. The powered cabinets have been purchased through a charity Lucky2BHere. They have very kindly agreed to do a training session for us in the clubhouse. This has been organised for Tuesday the 26th May at 18:30 for a 19:00 start. The session will finish between 20:30 and 21:00. The training will involve kneeling on the floor performing chest compressions on Annie the mannequin. Places will be limited to roughly 20 on a first come basis. Could anyone interested in attending please contact Sarah in the office who will collect details. All participants will need to register with the office prior to the 26th.

Course

Please remember the following when playing on the course.

- Repair pitch marks on the greens
- Replace divots when possible
- Rake bunkers after playing out of a bunker
- Players should aim to keep up with the group in front of them. If a group falls more than a hole behind then they should allow the group behind to play through.

- However, if the group in front are immediately behind the group in front of them, there is no point in pushing them from behind as your group will have nowhere to go. In this situation, please refrain from playing shots which are likely to reach the players in front. If there are shorter hitters in your group then play ready golf and let the shorter hitters play when they will not be able to reach the players in front. Please simply exert common sense!

Sunday Carvery

The next Sunday Carvery will be on Sunday 7th June. Please see bar staff to make your booking.

Moray and Nairn Handicap League

Nigel MacIntosh is captaining the team for another year. They had their first game away against Moray but unfortunately were defeated 6:2. The team is short of players eligible for the higher handicap bracket of 12.4-24.4. Anyone interested in playing, please contact the office and Nigel will add your name and phone number to the WhatsApp group.

Hole in One

Hugh Clunas recently got his 10th career hole in one at Kings Golf Club on the 16th hole in their Seniors Open using a 6 Iron. I am sure Gary Player will not mind us rewording his famous comment about bunkers and practice – quality shines through as does a bit of luck. Congratulations Hugh.

Practice Chipping Area

Our green staff have been working on getting our short game area, down at the driving range, up and running. A new greenside bunker has been constructed over the winter and over the last couple of months the green has been fertilised and watered etc. New flags & holes have been put in the holes and the green is now in use for chipping and bunker play.

Members booking onto BRS

Just a reminder to members to book onto our BRS booking system prior to playing on the course. Even if members are just playing a few holes this should still be done. This will help keep our records up to date. Please check in with the professionals before starting play.
