

Course

Please remember the following when playing on the course.

- Repair pitch marks on the greens as per illustration below.

- Replace divots when possible
- If players are missing out holes in the mornings then greenkeepers have right of way.
- Rake bunkers after playing from bunkers.
- Players should aim to keep up with the group in front of them. If a group falls more than a hole behind then they should allow the group behind to play through.
- However, if the group in front are immediately behind the group in front of them, there is no point in pushing them from behind as your group will have nowhere to go. In this situation, please refrain from playing shots which are likely to reach the players in front. If there are shorter hitters in your group then play ready golf and let the shorter

hitters play when they will not be able to reach the players in front. Please simply exert common sense!

Charity Open

Our charity open on Sunday the 6th September is in aid of Lucky2BHere. This is the Skye based charity which sets up defibrillators and also provided a resuscitation training session in the clubhouse earlier in the season. We will be holding a raffle during the day. Tickets for the raffle can be bought at the half way house in the week leading up to the open or on the day. Any gifts for the raffle would be warmly appreciated and can be left in the office.

Committee Member Resignation

Innes Smith has unfortunately had to resign from the committee. His work has been taking him away from home recently and he does not feel he can give the role the time that it deserves. He has offered to help out in a more informal basis and we will definitely take up his offer. The committee would like to thank Innes for all his input this year. His help has been invaluable.

This leaves a space on the committee available. If anyone is interested in joining the committee then please inform the Club Captain or General Manager.

Car Park

We have had an instance where a members car has been damaged in the car park when someone has tried to pass the car with a golf trolley and has scratched the paint work on the car.

Just a reminder to members to take care in the car park when passing cars with their golf equipment.

We have setup a form for our Junior members and a parent to complete for this. It would be appreciated if junior members could complete the form in the link below.
