

Course

Please remember the following when playing on the course.

- Repair pitch marks on the greens as per illustration below.

- Replace divots when possible
- If players are missing out holes in the mornings then greenkeepers have right of way.
- Rake bunkers after playing from bunkers.
- Players should aim to keep up with the group in front of them. If a group falls more than a hole behind then they should allow the group behind to play through.
- However, if the group in front are immediately behind the group in front of them, there is no point in pushing them from behind as your group will have nowhere to go. In this situation, please refrain from playing shots which are likely to reach the players in front. If there are shorter hitters in your group

then play ready golf and let the shorter hitters play when they will not be able to reach the players in front. Please simply exert common sense!

Course Damage

We have had a number of incidents recently where damage has occurred on the course in the evenings. The photo below shows a divot that was taken out of the 3rd green on Thursday 24th September.

There has also been occasions when flags/tee markers have also been removed.

Can all members keep an eye out for anyone causing damage to the course and report any incidents to the office.

Bunker Rake Trials

We are trialling 3 new style bunker rakes over the winter for golfers feedback on which rake they prefer for next season. They are in bunkers we see most use out of which are:

Front right green bunker at the 1st
Front left green bunker at 2nd
Front left green bunker at 3rd

Any feedback be appreciated by informing course staff or the office.

North of Scotland Alliance

Starts this weekend at Grantown. Did you know that we have spaces in the North Scottish Golfers Alliance for Nairn Dunbar Golf Club members?

Why should I join?

The NSGA was originally set up to provide competitive golf for pro's and amateurs over the winter months and has continued to develop to encourage players from each of the affiliated clubs in the Moray, Nairn and Inverness areas to participate.

Just £50 subscription (to cover fixed costs) entitles you to compete in 16 events over the period October to March. No events are held in December or early January. These events are held on Saturdays and comprise playing on each of 15 different courses (including Moray Old and New).

Each event is an additional £20 to play. For your £20 you can play as an individual making up a group of 3 or with friends who are also members. You choose how many or few you wish to enter as it is not necessary to compete in all competitions. There is also a season championship on the last event which awards the individuals with the best 6 scores over the season.

There are 3 competition levels which are: scratch, low handicap and high handicap (a maximum playing handicap of 21 applies)

This approach allows you to play regular competitive matches on different courses alongside a range of players, from professional to strictly amateur, with the potential to win from a massive prize budget of around **£890 per event**. Prizes are paid in vouchers for winners through to **fifth place** competitors. Results are emailed out to competitors and prizes typically picked up at the next event.

It has been mentioned by members that they can play some of these events in better weather conditions in winter than they have experienced during the summer although this is not mandatory.

You can see information about the alliance on it's website at northalliance.co.uk which covers areas like the history, fixtures and weekly draws plus other details.

If you would like more informal information then please message me Paul Fallen on 07951998330.

If you would like to join then please contact Alan Cowie, NSGA Secretary by email on alan.nsga@btinternet.com and provide:

name(s), HCl(s), immediate days you wish to compete, and pay the appropriate fees.

It will also be useful to provide an approximate time that you wish to play but please be aware that this cannot be guaranteed. Obviously, individuals are easier to match in to the T-times than groups.

Come and give it a go I am sure you will enjoy it!

North of Scotland Alliance

Starts this weekend at Grantown. Did you know that we have spaces in the North Scottish Golfers Alliance for Nairn Dunbar Golf Club members?

Why should I join?

The NSGA was originally set up to provide competitive golf for pro's and amateurs over the winter months and has continued to develop to encourage players from each of the affiliated clubs in the Moray, Nairn and Inverness areas to participate.

Just £50 subscription (to cover fixed costs) entitles you to compete in 16 events over the period October to March. No events are held in December or early January. These events are held on Saturdays and comprise playing on each of 15 different courses (including Moray Old and New).

Each event is an additional £20 to play. For your £20 you can play as an individual making up a group of 3 or with friends who are also members. You choose how many or few you wish to enter as it is not necessary to compete in all competitions. There is also a season championship on the last event which awards the individuals with the best 6 scores over the season.

There are 3 competition levels which are: scratch, low handicap and high handicap (a maximum playing handicap of 21 applies)

This approach allows you to play regular competitive matches on different courses alongside a range of players, from professional to strictly amateur, with the potential to win from a massive prize budget of around **£890 per event**. Prizes are paid in vouchers for winners through to **fifth place** competitors. Results are emailed out to competitors and prizes typically picked up at the next event.

It has been mentioned by members that they can play some of these events in better weather conditions in winter than they have experienced during the summer although this is not mandatory.

You can see information about the alliance on it's website at northalliance.co.uk which covers areas like the history, fixtures and weekly draws plus other details.

If you would like more informal information then please message me Paul Fallen on 07951998330.

If you would like to join then please contact Alan Cowie, NSGA Secretary by email on alan.nsga@btinternet.com and provide:

name(s), HCl(s), immediate days you wish to compete, and pay the appropriate fees.

It will also be useful to provide an approximate time that you wish to play but please be aware that this cannot be guaranteed. Obviously, individuals are easier to match in to the T-times than groups.

Come and give it a go I am sure you will enjoy it!

Course

Please remember the following when playing on the course.

- Repair pitch marks on the greens as per illustration below.

- Replace divots when possible
- If players are missing out holes in the mornings then greenkeepers have right of way.
- Rake bunkers after playing from bunkers.
- Players should aim to keep up with the group in front of them. If a group falls more than a hole behind then they should allow the group behind to play through.
- However, if the group in front are immediately behind the group in front of them, there is no point in pushing them from behind as your group will have nowhere to go. In this situation, please refrain from playing shots which are likely to reach the players in front. If there are shorter hitters in your group

then play ready golf and let the shorter hitters play when they will not be able to reach the players in front. Please simply exert common sense!

Course Damage

We have had a number of incidents recently where damage has occurred on the course in the evenings. The photo below shows a divot that was taken out of the 3rd green on Thursday 24th September.

There has also been occasions when flags/tee markers have also been removed.

Can all members keep an eye out for anyone causing damage to the course and report any incidents to the office.

Bunker Rake Trials

We are trialling 3 new style bunker rakes over the winter for golfers feedback on which rake they prefer for next season. They are in bunkers we see most use out of which are:

Front right green bunker at the 1st
Front left green bunker at 2nd
Front left green bunker at 3rd

Any feedback be appreciated by informing course staff or the office.

We would like to know a little bit more about our junior members and their golfing aspirations and to encourage participation in junior competitive golf and other golf related activities at the club. Where age appropriate, we would also like to ensure parents are happy for their child or children to participate in any Junior Golf activities, such as coaching, team matches etc.

We have setup a form for our Junior members and a parent to complete for this. It would be appreciated if junior members could complete the form in the link below.

North of Scotland Alliance

Starts this weekend at Grantown. Did you know that we have spaces in the North Scottish Golfers Alliance for Nairn Dunbar Golf Club members?

Why should I join?

The NSGA was originally set up to provide competitive golf for pro's and amateurs over the winter months and has continued to develop to encourage players from each of the affiliated clubs in the Moray, Nairn and Inverness areas to participate.

Just £50 subscription (to cover fixed costs) entitles you to compete in 16 events over the period October to March. No events are held in December or early January. These events are held on Saturdays and comprise playing on each of 15 different courses (including Moray Old and New).

Each event is an additional £20 to play. For your £20 you can play as an individual making up a group of 3 or with friends who are also members. You choose how many or few you wish to enter as it is not necessary to compete in all competitions. There is also a season championship on the last event which awards the individuals with the best 6 scores over the season.

There are 3 competition levels which are: scratch, low handicap and high handicap (a maximum playing handicap of 21 applies)

This approach allows you to play regular competitive matches on different courses alongside a range of players, from professional to strictly amateur, with the potential to win from a massive prize budget of around **£890 per event**. Prizes are paid in vouchers for winners through to **fifth place** competitors. Results are emailed out to competitors and prizes typically picked up at the next event.

It has been mentioned by members that they can play some of these events in better weather conditions in winter than they have experienced during the summer although this is not mandatory.

You can see information about the alliance on it's website at northalliance.co.uk which covers areas like the history, fixtures and weekly draws plus other details.

If you would like more informal information then please message me Paul Fallen on 07951998330.

If you would like to join then please contact Alan Cowie, NSGA Secretary by email on alan.nsga@btinternet.com and provide:

name(s), HCl(s), immediate days you wish to compete, and pay the appropriate fees.

It will also be useful to provide an approximate time that you wish to play but please be aware that this cannot be guaranteed. Obviously, individuals are easier to match in to the T-times than groups.

Come and give it a go I am sure you will enjoy it!
